**2010 COMPETITION**  
**COORDINATOR**

**I have been receiving from International each week an update on those quartets and choruses registered for competition in April. The list grows!!!**

**In early March, following drawing for order of appearance, you will receive the traffic pattern, including diagrams of the pattern and stage area. You will also receive at that time the forms you will need to submit at the briefing such as contact information, DVD order form, song order form, and for choruses, final pose, as well as List of Competing Members form. That form, as well as all other competition information for choruses and quartets can be found at <http://www.sweetadelineintl.org/competition-main.cfm> (Look for 2010 Regional Chorus EPacket and 2010 Regional Quartet EPacket.) Photography information will come directly from E.R. Lilley.**
