**INTRODUCING THE QDQ PARADE!**

The Saturday evening event at January AIM now has a new look; it is the QDQ Parade. It will replace the Novice Quartet Parade and the Double Quartet Contest.

Now there will be ONE parade of both Novice Quartets and Double Quartets with one drawing for order of appearance.

It will happen Saturday night right after the Sweet Expectations contest for our YWIH quartets.

Participants will receive written comments from Region 12's top coaches, and they will receive performance level letters (B, C, etc.) No points will be given. The panel of coaches will not declare a winner based on performance points.

But there will be a contest. The **AUDIENCE** will choose the most entertaining ensembles for "Lettuce Entertain You" Award. You'll want to be there to cheer on the ensembles from your chorus to help them win the entertainment prize.

**DON'T WAIT! Start now to create some fun.**

Each group of four or eight singers will be expected to sing two songs in the barbershop style.

Watch for the registration form and when it comes be sure to notice something else new: There will be a parade entry fee of **\$5 per ensemble**.
