Housing reservations will be done online with the Nugget by the Room Captains (RC).
Exceptions would be:

Computer access not available
Making a reservation for a suite

In the cases above, Room Captain MUST CALL 1-800-648-1177, ask for Ann in Group Reservations at extension 3319 and reference our **Group Code – GSA20**. Room Captains may also email Ann at Ann.Reiff@marnellgaming.com after regular business hours or on Saturday/Sunday.

Room reservation dates are January 22 thru March 30.

Reservation procedure:

- By phone – give our group code – GSA20, your chorus name and names of ALL roommates (see below about A or S). Credit card information is ONLY for the Room Captain.
- Online – Room Captain should make the reservation under her name by selecting the link above. Once the dates are selected, choose “**Additional comments**” under **Special Requests**. You must enter your chorus name in this box along with the names of ALL roommates in this box. Each roommate must have an A or S behind their name. A = Additional Guest(s) (not splitting bill) or S = Share (splitting the bill)
- **Not splitting the room bill** ~ one card used for the bill. Check out can be done on TV in room or drop the envelope in a box on your way out.
- **Splitting the room bill** ~ ID and credit card will be presented at front desk upon arrival of each person responsible for payment or partial payment.
- There will be \$100 deposit charged to the Room Captain upon arrival.

Check out procedure:

- Please view your folio the night before checking out via your guestroom television and call or visit the Front Desk with any questions or revisions. **TO AVOID LINES AND LONG WAIT TIME, DON'T WAIT UNTIL YOU ARE READY TO LEAVE TO REVIEW YOUR BILL AND CONTACT THE FRONT DESK.** If charges are correct, you may check-out on the TV and your receipt will be e-mailed to you.
- If the room is being split, all roommates must go together to finalize the bill. It will take more time for the clerk to prepare all of the folios. **BE SURE TO VERIFY THE CHARGES WHEN RECEIVING YOUR BILL.**
- If meals, etc. are to be billed to the room, the Room Captain will be the one to pay these charges, rather than splitting charges at the front desk. The hotel will not split or transfer restaurant or incidental charges at check-out. It would be best/easiest to pay incidental charges at the time they occur (ie: splitting credit cards at the dining outlets)
- If valet parking is used, call the Valet Desk Sunday morning and give them your valet ticket number. It will take 30-45 minutes for the car to be pulled around.

Any changes or cancellations made after the reservation is made will be handled by the RC directly with the Nugget.
