Notes: 1. POP must have do their Stage Time the 2nd time they perform so the videographer has time to reset her cameras.

2. As Contestants transition from Warm-up Room to the stage for their Stage Time, they will drop any **essential** belongings in the Ready Room where an assistant will be positioned to guard their belongings.

3. While in the Ready Room, contestants will put personal belongings into a bag. The bag(s) will be given to the contestant's escort who will place them in a predetermined position (see diagram) and guard the bags during the contestants performance. After the performance the contestant will pick up the bag(s) to take back to their Warm-up Room for distribution.

4. There will be no one guarding personal belongings in the Warm-up Room - leave valuables in locked vehicle.

5. After performance, contestants will have a short window to vacate the Warm-up Room. If another competitor arrives to the Warm-up Room and the previous competitor has not vacated the space, the room will be unavailable to the previous competitor until the current competitor vacates the space.
